On-market share buy-back - Update

On 7 June 2017 NGE Capital Limited (**Company**) (ASX: NGE) announced its intention to undertake an on-market share buy-back of up to 3,000,000 shares in the period to 19 August 2017. This buy-back, which is over the 10/12 limit in the year to 19 August 2017, was approved by shareholders at the Company's Annual General Meeting on 30 May 2017.

The Company indicated that there was no guarantee that any shares would be purchased under this facility. This notice confirms that the buy-back period has now expired and no shares were purchased. An Appendix 3F is attached.

The Board continues to actively manage the Company's capital and believes that an on-market share buy-back continues to provide the opportunity to repurchase shares at attractive valuations.

Accordingly, the Board has decided to initiate a new on-market share buy-back of up to 10% of the Company's issued capital, which at the date of this announcement is 3,786,944 shares. Acquisitions under the on-market buy-back may commence on or after 4 September 2017 (being 14 days after notice of the buy-back has been given to ASIC) and will remain open until the buy-back has been completed.

The Company reserves the right to suspend or terminate the on-market buy-back at any time and there is no guarantee that the Company will repurchase the shares referred to above.

An Appendix 3C in respect of the on-market share buy-back is attached.
